Club Attire

Our Dress Code Philosophy

In setting the dress code requirements for the club, we have attempted to maintain certain decorum, while balancing the fact that we are in a resort area, and our club is a “gathering place” for our members to get together and socialize in a relaxed and fun atmosphere. The basic theme is considered “Resort Casual” with the exception of Saturday evenings in the Main Dining Room, which are more formal.

It is expected that Club Members and their guests will dress in a fashion appropriate to the surroundings and atmosphere of the club. It is also expected that they will abide by the spirit of any dress code requirements in cases where certain articles of clothing are not explicitly described.

- *Standard Dress Code applies at all times with the exception of Saturday Evening in the Main Dining Room*
- *Resort Casual is considered the standard dress code and the typical attire. We do allow nice jeans, golf attire and shorts*
- *Saturday Evenings is the club’s Fine Dining evening in the clubhouse beginning at 6:00 pm. Collared shirts are requested, dinner jacket optional. No shorts or jeans are permitted.*
- *Gentlemen are asked to remove their caps and visors in the Pub or Main Dining Room.*
- *Under no circumstances are short-shorts, tank tops, or bathing suits allowed in the clubhouse or golf course. Shirts and shoes are always required.*

Guest Policy

The Sky Valley Clubhouse operates as a private club. It is important for the club to strike a balance between its members’ desire to bring guests and share their club with friends, while maintaining the private nature of the club. We encourage you to show off the club to friends, relatives and business associates with the understanding that any guests who could be considered potential members not abuse the privilege of being a guest. Basic policy is that you may bring any guests that you like, but you should not bring the same guest more than four times during the year, and not more than once in any given month, regardless of who the host member might be. The members should identify their guests when making reservations.

Immediate family, children & grandchildren can visit the Club unaccompanied by using the Member’s card. The Member, however, should notify the Club when this is to occur and whether family members will be allowed to charge to the members’ account.

Participation in the social activities of the clubhouse is restricted to club members, with the following exceptions:

- *Activities that are advertised as being open to members and guests.*
- *Activities that are advertised as being open to the general public, when approved by the Board of Directors.*
- *Guest privileges may be limited or restricted by the Club from time to time, in the sole and absolute discretion of the Club. Notice of such limitations will be given by the Club.*
- *Guests may use a credit card or cash to settle charges, however, the Member will be ultimately responsible for all charges incurred by the guest. Please let management know in writing or email that you would like for your guests to be able to charge to your account.*

House Guests are defined as those non-family members temporarily residing in a member's residence up to a maximum of seven days. Beyond seven days the guest is considered a lessee. Host Members must register houseguests with the club prior to arrival. Houseguests may use the club's facilities without the requirement of being accompanied by the member. Members must register with the Club in advance unaccompanied guests in order that a temporary guest card can be issued. Unaccompanied guests must carry the temporary guest card when on Club property.

Temporary Guest Memberships (TGM) will be available to those renting property within Sky Valley. TGM's are available for a minimum of 7 days up to a maximum of 30 days. There will be a charge to the renter based on the length of stay. A Temporary Membership Card will be issued at the Club Office. TGM's will be entitled to the same privileges as social members, with the exception of use of the Timeshare Amenities. The Temporary Guest Member must not own any property within 50 miles of the Clubhouse. The Club Privilege would be for the renter only, not the homeowner.

- *House Guests are permitted to dine without being accompanied by the host member, as long as they have been registered by the host member for the week.*
